www.AandT.ca

Founded in 1992, A&T Project Developments Inc. is one of the largest general contractors in the Thompson-Okanagan Region, based out of Kamloops, BC. We partner in over 100 construction projects annually and specialize in land development, commercial construction/tenant improvements and custom residential homes.

Our company's core values of active listening and mutual respect for clients and trade specialists, as well as our commitment to innovative design and building standards have garnered **top recognition** within the building industry in BC and beyond.

We are currently recruiting for a **Certified Journeyman Carpenter** whose main duties will include (however not be limited to):

- Commercial renovations/repairs and new construction of various components such as floors, stairs, doors, windows, cabinets, etc.
- Maintenance of equipment.

Knowledge and Skills:

- Minimum 5 years of experience
- Positive attitude
- Safety conscious
- Ability to take direction and follow through on instructions
- Must be able to work as part of a team
- Strong verbal communication skills
- Punctual and reliable
- Willingness to learn
- Willingness to take initiative, self motivated
- Integrity, good judgement, strong work ethic, courtesy towards fellow staff members, sub-trades and clients

This job requires the candidate to have their own vehicle for transportation. Wage TBD.

Please send cover letter and resume to info@AandT.ca or fax to 250-851-9922. Please note, only candidates chosen for interviews will be contacted.
